

PFS Annual Clay Shoot Sponsorship Offerings

Event Date: Friday, March 8, 2024

PFS Annual Clay Shoot

Pockets Full of Sunshine makes the Lowcountry a sunnier place by providing opportunities and connection for adults with disabilities. Our annual Clay Shoot provides the bulk of our funding which makes our weekly programming possible.

The event date is Friday, March 8, 2024 at the prestigious Forest City Gun Club.

There are various levels of participation and sponsorship. It is an action packed day! Sponsors have the opportunity to be in front of over 200 guests and will receive recognition in our newsletter, social media, and website.

This fundraiser supports everything Pockets does year round! We currently have a waiting list for our vocational program and have noble plans to procure more space. Your sponsorship and participation is needed and greatly appreciated. On behalf of the "Rays," thank you for spreading sunshine!

SPONSOR LEVELS

Title sponsorship available for \$10,000 and above

Levels

- 12 gauge :\$1,500 above
- 20 gauge up: \$1,500

Your Sponsorships help us underwrite the following event expenses: Ammo, Food and Beverage, Bourbon Bar and Reception, Golf Cart Rentals, etc.

What our sponsors are saying

"Giving back locally is a priority of mine!"

"I am approached by many charities that are already oversubscribed, nationally or governmentally funded, or in vogue. PFS has a finite stable of financial support and when I give, I know it is cherished and put to good use. I prefer to give to those who need it the most."

"Y'all put on a fun and well organized event for such a wonderful cause. Kudos to you and your team."

"We look forward to coming every year since the inception and love to support the Rays."

"We love seeing your program and the inclusion you bring to the community!"

Are you ready to sponsor?
